## **Black Rat** Cole Closser

Black Rat is the sleeper in the shadow, the wanderer in the woods. He walks between worlds and travels through time--slaying monsters, solving mysteries, and philosophizing with his fists amidst a barrage of butchered quotes and borrowed styles in a series of seemingly disparate, sometimes violently visceral vignettes.

**Cole Closser** lives in Missouri and is an Assistant Professor of Art & Design at Missouri State University. His graphic novel *Little Tommy Lost* was nominated for the Will Eisner Comic Industry Award in the category of Best Publication Design at the 2014 San Diego Comic-Con.

### From reader reviews:

#### **Joshua Shaw:**

The particular book Black Rat has a lot info on it. So when you make sure to read this book you can get a lot of help. The book was written by the very famous author. The author makes some research ahead of write this book. That book very easy to read you can get the point easily after perusing this book.

#### **Kelli Smith:**

People live in this new morning of lifestyle always aim to and must have the time or they will get great deal of stress from both everyday life and work. So , when we ask do people have spare time, we will say absolutely without a doubt. People is human not only a robot. Then we request again, what kind of activity have you got when the spare time coming to you of course your answer can unlimited right. Then do you try this one, reading books. It can be your alternative in spending your spare time, typically the book you have read is definitely Black Rat.

#### **Lauren Robinson:**

Your reading 6th sense will not betray anyone, why because this Black Rat e-book written by well-known writer who knows well how to make book that may be understand by anyone who have read the book. Written in good manner for you, dripping every ideas and producing skill only for eliminate your own hunger then you still question Black Rat as good book not merely by the cover but also through the content. This is one reserve that can break don't assess book by its include, so do you still needing yet another sixth sense to pick that!?! Oh come on your studying sixth sense already said so why you have to listening to one more sixth sense.

#### **William Henderson:**

As a student exactly feel bored to help reading. If their teacher expected them to go to the library or make summary for some guide, they are complained. Just tiny students that has reading's heart or real their hobby. They just do what the trainer want, like asked to the library. They go to there but nothing reading really. Any students feel that studying is not important, boring as well as can't see colorful images on there. Yeah, it is being complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Black Rat can make you sense more interested to read.
