I Choose You (Friends & Lovers Trilogy Book 2) Bethany Lopez

Up until now, Nicole's life has been mapped out for her. She'd go to college, marry Jake and become the upstanding minister's wife. When she leaves that life to begin again in a small town in Texas, she finally has the freedom to live as she chooses. There, she meets Kent, a guy whose charm and passion make it hard to stick to her morals.

Dodging his father's fists and protecting his twin sister made Kent into the man he is today. He learned by watching his mother stay by his father's side that it's better to keep relationships simple. Then he meets Nicole. Her sweet smile and genuine response to him land like punches to his resolve. After a lifetime of learning to protect his heart, can he finally let down his guard?

I Choose You is the second novella in the Friends & Lovers Trilogy. You can get all three books in the trilogy, with a bonus ending for each couple, in the Friends & Lovers omnibus.
