Points de départ is a complete, versatile program for introductory college and university French courses. It has been conceived for use in accelerated, intensive, and review programs; in hybrid courses incorporating distance learning; and in courses with limited contact time, i.e., three or fewer hours per week over an academic year. Developed by the authors of the extremely successful **Chez nous** French program, **Points de départ** incorporates many of the innovative features of that text while maintaining a focus on the essential content of an introductory course.

This valuepack includes the access code card to MyFrenchLab at a reduced price.
