Army Wives: The Unwritten Code of Military Marriage Tanya Biank

Army Wives goes beyond the sound bites and photo ops of military life to bring listeners into the hearts and homes of today's military wives.

Biank tells the story of four typical Army wives who, in a flash, find themselves in extraordinary circumstances that ultimately force them to redefine who they are as women and wives. This is a true story about what happens when real life collides with Army convention.

Army Wives is a groundbreaking narrative that takes the listener beyond the Army's gates, taking a close look at the other woman - the Army itself - and how its traditions, rules, and wartime realities deeply impact marriage and home life.
