Human Intelligence Collector Operations Department of the Army

This manual provides doctrinal guidance, techniques, and procedures governing the employment of human intelligence (HUMINT) collection and analytical assets in support of the commander's intelligence needs. It outlines- HUMINT operations. The HUMINT collector's role within the intelligence operating system. The roles and responsibilities of the HUMINT collectors and the roles of those providing the command, control, and technical support of HUMINT collection operations. This manual provides the doctrinal guidance for HUMINT collectors and commanders and staffs of the MI organizations responsible for planning and executing HUMINT operations. This manual also serves as a reference for personnel developing doctrine, tactics, techniques, and procedures (TTP); materiel and force structure; institutional and unit training; and standing operating procedures (SOPs),for HUMINT operations at all army echelons. In accordance with TRADOC Regulation 25-36, the doctrine in this field manual is not policy (in and of itself), but is "...a body of thought on how Army forces operate... It provides an authoritative guide for leaders and soldiers, while allowing freedom to adapt to circumstances."
