Lament For The Dead

Margaret M Ford

Lament For The Dead Margaret M Ford

“Now then. Let’s get started.” Monster Man scrapes the chair a little further forward and settles himself. “I’m going to tell you a story. Are you sitting comfortably? Good. Then I’ll begin. Once upon a time ...” In Drayford Village, serious crimes were unheard of. Then the abductions began. There is no rational connection. No links between the victims that make any sense. And even when the bodies are discovered, the horrifying tableau only provides more questions than answers. But the Abductor is still holding all the cards. And he has another hand to play, in a twisted plan for revenge a hundred years in the making. Author Margaret Ford develops her story effectively through genuine dialogues and muted but vivid descriptions that should not fail to catch her readers’ interest. Her treatment of the shifts in the plot is nothing short of brilliant. As a result, Lament for the Dead flows in such a way that reading the book becomes highly enjoyable and interesting. This is a thriller that will meet any discriminating reader’s expectations. —Maria Beltran for Readers’ Favorite Another great story by Margaret M Ford. —Norman Price (manuscriptuk.com) This novel completely sucked me in during the prologue. Thoughtfully written and well-crafted, this novel is reminiscent of Agatha Christie’s style. Margaret Ford shows great talent and keeps her words flowing seamlessly throughout the pages. —John Morrow’s Pick of the Week I always find a book that immediately stimulates my mind is difficult to put down. The author takes the reader through numerous twists and turns, and graphically describes events throughout the book. For those who like a good thriller, I have no hesitation in recommending Lament for the Dead. —Robert Gregory JP A most engaging and mystifying story weaving together many different characters, in the hunt for a ruthless serial killer, hiding in plain sight. The killer abducts his victims - seemingly unconnected, beloved members of a small English village - from under the noses of a growing small army of determined detectives. The local librarian discovers vital clues that redirect a particularly resourceful and unconventional detective, into the clutches of the waiting killer. The constant twists and turns of this complex plot make for a real page-turner. Another great read from Margaret M Ford. —Dr Martin Cole For further information visit the author’s website: www.margaretmford.com.au
