Haunted and scarred by the events of the past year, they both suffer from traumatic consequences. To complicate things even further, someone who knows far too much about Elliot shows up unexpectedly, bringing revelations that even Elliot as a 4700 year-old immortal has a hard time grasping. This visitor's mere presence adds yet another strain to the couple's already fragile relationship.

However before Michelle and Elliot can remedy and mend their love, they must heal themselves, and that task will not be as easy, or as safe, as it seems. Join Michelle and Elliot on an epic life-and-death adventure that will take them to the four corners of the world in search of the key to their survival.
