John E. Steiner Jr.

Problems In Health Care Law: Challenges for the 21st Century John E. Steiner Jr.

Under the guidance of new lead editor John E. Steiner, Jr., Esq, Problems in Health Care Law, Tenth Edition continues to be the authoritative foundational textbook that covers the key components of our legal system and their application to our healthcare system. Students will come away with a clear understanding of how individual rights are defined and protected in the healthcare setting; how healthcare services are defined, insured, and paid for; how individual providers organize and govern themselves; and many other core legal concepts related to the organization and administration of our healthcare system. The Tenth Edition is an extensive revision that covers HIPAA, healthcare reform, and offers several chapters not included in previous editions. This authoritative text brings together legal practitioners, business advisors, and others whose work represents some of the best thinking and analyses of the issues at hand, including healthcare reform, delivery, payment, client counseling, and contested legal matters. The text is accompanied by a complete package of instructor resources (Transition Guide, PowerPoints, Test Bank) as well as a student companion website that offers interactive practice exercises to reinforce learning of key concepts.
