## **Student Edition: 1984 Study Focus Guide** Mr. Edward Morneau

This student edition of George Orwell's 1984 Focus Study Guide is nearly the same as the teacher edition, except that it does not have the recommended objective assessments, which are normally geared to a district's learning frameworks. The highlights feature fully annotated and in-depth analyses of the following: "Goldstein's Book," Orwell's essays on "Nationalism" and "Politics of the English Language," and Christopher Hitchens' "Why Orwell Matters." Reading comprehension questions and models of essay and research writing mirror the in-depth pursuit of meaning of this great work of literature. General considerations of myth, archetype, satire, nationalism, fascism, essential questions that apply to any work of literature, and complete bibliographies of dystopian literature, film, and graphic novels make this focus guide a complete resource for parallel and further studies.
