Fight and Flight of the Wolves

Us Against the Wolves Book 4

Adam and Noah were at the top of their high school's social chain. They were two of the most popular guys in school, who shared a secret that made them unstoppable. They were shifters who could take the form of wolves at will.

Even better, Adam and Noah weren't the lone shifters anymore. With Nicolas, the Alpha, finally able to control his urges and the newly-turned Lilly becoming the fourth member, their pack of four was finally capable of protecting their city from unknown threats. It was hard to say 'goodbye' to the weekly bonfire parties and the drunken gigs, but they all knew what would be at risk if they didn't take their new responsibilities seriously – their lives.

Training against one another was one thing, but fighting against a threat they'd never encountered was a whole different story. Will Adam and Noah be able to graduate high school unscratched? Or is the threat too powerful to handle this time?

Adam and Noah believe they're stronger, faster, and better together, but will that still hold true?
