Growing up in the shadow of Mount Rushmore

Lincoln Borglum was a young boy when his father, the great sculptor Gutzon Borglum, suggested to a group of South Dakota businessmen that he should carve the faces of four presidents into a side of a mountain as an attraction for tourists. But Mount Rushmore would never be finished by Gutzon. It would be his son who would complete the fourteen-year task and present America with one of its most iconic symbols.

A California Reading Association Eureka! Honor Book Award-winner
