Silent Spring

Rachel Carson

Silent Spring Rachel Carson

The book is widely credited with helping launch the environmental movement. When the book *Silent Spring* was published, Rachel Carson was already a well-known writer on natural history, but had not previously been a social critic. The book was widely read-especially after its selection by the Book-of-the-Month Club and the New York Times best-seller list-and inspired widespread public concerns with pesticides and pollution of the environment. *Silent Spring* facilitated the ban of the pesticide DDT in 1972 in the United States. The book documented detrimental effects of pesticides on the environment, particularly on birds. Carson accused the chemical industry of spreading disinformation, and public officials of accepting industry claims uncritically. *Silent Spring* has been featured in many lists of the best nonfiction books of the twentieth century. In the Modern Library List of Best 20th-Century Nonfiction it was at #5, and it was at No.78 in the conservative National Review. Most recently, *Silent Spring* was named one of the 25 greatest science books of all time by the editors of Discover Magazine.

From reader reviews:

Sheila Cyr:

Nowadays reading books be a little more than want or need but also get a life style. This reading habit give you lot of advantages. The huge benefits you got of course the knowledge the rest of the information inside the book this improve your knowledge and information. The knowledge you get based on what kind of guide you read, if you want send more knowledge just go with education books but if you want truly feel happy read one together with theme for entertaining including comic or novel. The actual Silent Spring is kind of guide which is giving the reader capricious experience.

William Jewell:

This book untitled Silent Spring to be one of several books which best seller in this year, this is because when you read this e-book you can get a lot of benefit onto it. You will easily to buy that book in the book retailer or you can order it by way of online. The publisher on this book sells the e-book too. It makes you more readily to read this book, as you can read this book in your Smartphone. So there is no reason to you to past this publication from your list.

Kathi Adamo:

Playing with family in a very park, coming to see the marine world or hanging out with pals is thing that usually you have done when you have spare time, then why you don't try thing that really opposite from that. Just one activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love Silent Spring, you are able to enjoy both. It is great combination right, you still need to miss it? What kind of hang-out type is it? Oh seriously its mind hangout fellas. What? Still don't have it, oh come on its called reading friends.

Scott Harrington:

Reading a publication make you to get more knowledge from that. You can take knowledge and information from a book. Book is written or printed or illustrated from each source which filled update of news. On this modern era like right now, many ways to get information are available for an individual. From media social just like newspaper, magazines, science e-book, encyclopedia, reference book, fresh and comic. You can add your knowledge by that book. Do you want to spend your spare time to open your book? Or just seeking the Silent Spring when you desired it?
