The Goldstone Report: The Legacy of the Landmark Investigation of the Gaza Conflict

The Goldstone Report: The Legacy of the Landmark Investigation of the Gaza Conflict

The Goldstone Report is one of the most controversial UN reports ever published. It alleges that both Israel and Hamas committed atrocities during Israel's 2009 incursion into Gaza, with Israel aiming to "punish, humiliate and terrorise a civilian population." This characterization incited an uproar in Israel and abroad. Unfortunately, the controversy surrounding the findings supplanted any real understanding of their implications. Edited by three progressive American Jews, *The Goldstone Report* contains analysis; commentary by Desmond Tutu, Naomi Klein, and Rashid Khalidi, among others; and a context for debate.
