Practical exercises organized around core Sacred Six principles like focus, clarity, consistency, and prioritization provide support for developing “keystone” positive habits, eliminating blocks to success, and making life-changing decisions from the perspective of the Observer—the true self—rather than the ego.

Not just another self-help program, “**The Sacred Six process is about more than getting things done,**” **JB emphasizes.** “**It’s about your life story—your journey and your purpose.**” He calls it *sacred* because it’s a path to full expression of one’s values. He identifies *six* as the “magic number” for managing projects, daily tasks, and one’s time.

An insightful and entertaining raconteur, JB weaves his personal tale of trials and triumph into his time-tested steps for creating a joyful and fulfilling life.
