Welcome to the Black Room (The Masquerade Affair #1)

Young women should always be wary of men who promise them money, but Henrietta has no choice. With a drunken lout of a husband and only a pittance to be earned as a barmaid, she cannot say no to the lord who promises her more gold than she's ever seen. All she needs to do is attend a party, a single night of hedonistic debauchery.

When lords and ladies gather in the Black Room there is no telling what temptations Henrietta will be subjected to. She'll have no choice but to give in to their pleasure.

Welcome to the Black Room is a 7000+ word historical erotic short that features bondage and heavy sexual content.
